HUSSEN TAIWO

FRONTEND DEVELOPER

ABOUT ME

Innovative, creative and a proven team player with certificates in Front-end Development and 2+ years experience of building, developing, designing and managing websites and web applications with various organizations. Interested in securing position of Senior Front-end Developer in the future.

WORK EXPERIENCE

HNG Internship

Frontend Developer Intern | August - October

Key Achievement

Implemented a new responsive, mobile-first approach which increased mobile traffic by 20%.

Responsibilities

- Assess UX and UI designs for technical feasibility.
- Build frontend web apps with semantic html and css
- Collaborate with product team members to implement new feature developments.
- Conduct debugging errors through close collaboration with the quality assurance team.
- From idea to implementation, I implemented blogs, mobile apps, and landing pages.
- Standardize all output with a new, responsive, mobile-first approach and strategy.
- Verify compliance with customer needs by testing software functionality and equipment load capabilities.
